To

The Secretary to Government,
Agriculture and Forests Department,
Bombay.

No.S.105/IV/225. Karwar, 29-9-1956.

Subject: Grant of Forest land out of F.S.No.44 of Chandavar held on Hangami lease.

In submitting herewith the correspondence regarding grant of an area of 0-5-0 out of F.S.No. 44 of Chandavar village in Honavar Taluka, I have to state as under: -

2. The applicant Shri Narayan Nagappa Naik of Chandavar was granted an area of 5 gunthas out of F.S.No. 44 of Chandavar in Honavar Taluka for erecting a tea shop building on hangami lease by the Divisional Forest Officer, W.D. Kanara in the year 1947 (P.1). On receipt of G.R., A & F.D.No. FDM 1054 dated 7-3-1955, the Divisional Forest Officer submitted proposals for disforestment of the area in favour of the hangami lessee (D.F.O's endorsement at page 47).

3. During the course of enquiry, it is reported that the applicant holds no lands on Khata or on Geni and that the applicant maintains his family on the income derived from his tea-shop and grocery shop (Mamlatdar's report No. TR-9691 dated 8-8-1956). It is also reported that the villagers have got strong objections for the disposal of the land for the reasons stated by them at pages 57 and 59 . But the objections put forth by the villagers at a late stage on 7-11-1955 are not tenable as there is sufficient forest area available in the village. The residents of the village did not object to the grant of the area at the initial stage i.e. while granting the land on hangami lease. In this connection reference is invited to the R.F.O's report dated

12-7-1947(P.8) and the statement of the villagers, dated 4-7-1957 (P.9). The applicant is a backward Class person being namdhari by caste (P.73) The objections raised how by the villagers do not therefore deserve any consideration as the lessee has already constructed the shop building in the area at a cost of about Rs. 600/- .

4. The shop building has already been constructed at a distance of 40½ feet from the centre of the main road (D.L.B.Road) as against the set back limit of 100 Feet from the centre of the road which is classified as provincial High Way. But while granting the land on hangami lease by the Forest Department the condition of set back limit of 100 feet was not imposed in the lease, since the grant was made by the F.D. in 1947.

5. The applicant is however, willing to remove the structure at the time of road widening without claiming any compensation and at his own cost(Pages 83 & 91). In view of the orders contained in G.R., A & F.D.No.FDM 1054 dated 7-3-1955, the Collector can grant the area after disforestment only in case the area is required for cultivation. There is no provision in the said G.R. authorising the Collector to grant the area for non-agricultural purpose.

6. Under these circumstances, Government may be moved to accord sanction to the disforestment of an area of 5 gunthas out of F.S.No.44 of chandavar in Honavar Taluka and to its grant in favour of Shri Narayan Nagappa Naik of Chandavar subject to the following terms and conditions:

(1) The tenure shall be new and impartible.

(15) 11/12

(2) The grantee shall pay the occupancy price to be fixed by the Prant Officer.

(3) The grantee shall pay the N.A.Assessment to be fixed by the Prant Officer under Rule 81(2) of the L.R.Rules.

(4) The grantee shall pay the measurement fees to be fixed by the Survey Department.

(5) The grantee shall preserve the treegrowth in the area till disposed of by the Forest Department .

(6) The grantee shall remove the building and vacate the area without claiming any compensation if the area is required hereafter for road widening purpose at his own cost.

(7) The grantee shall comply with the building conditions and Ribbon Development orders at the time of rebuilding the shop.

(8) The grantee shall execute the Kabulayat in form "H" appended to L.R.Rules embodying the above mentioned additional conditions.

(9) The area shall be measured and formed into a separate S.No. assessing it to N.A.Assess--ment.

For breach of any of the above conditions, the grant shall be liable for cancellation at the discretion of the Collector.

Sir,

Sub:-Grant of forest land out of F.S.No.44 of Chandavar held on Hangami lease.

I forward herewith a copy of letter No.22/242/904 dated 16th July 1957 and the case papers (pages 1-145) received from the Conservator of Forests, Belgaum Circle on the above subject for favour of kind perusal. In the circumstances reported by the Conservator of Forests, I agree with his views.

The case papers may kindly be returned when donewith.

Yours faithfully,

Chief Conservator of Forests.

Below No.C/432 dated 22-6-1957 from the D.F.O. W.D.Kanara, Karwar.

Subject:-Grant of forest land out of F.S.No.44 of Chandavar held on hangami lease.

No.22/242/ 904 of 1957-58.
Belgaum, 16 July, 1957.

Submitted to the Secretary to Government of Mysore, Agriculture and Forest Departments, Bangalore, with reference to G.L. A & F.Department, Bombay's No.FLD.1256/112507-E of 13-10-1956.

2. The applicant Shri.Narayan Nagappa Naik of Chandavar was granted an area of 5 gunthas from F.S.No.44 of Chandavar for erecting a tea shop building by the D.F.O. W.D.Kanara in 1947. It is reported that the lessee has constructed a building in the area at a cost of about Rs.600/-. The area in question, it is reported, falls within the control line of 150' from the centre of the road. The President, D.L.B. Kanara has no objection to disforest the area on condition that the grantee should vacate the area when required for road widening purpose without claiming compensation, etc. But the undersigned is not in favour of disforestment of the area since it will lead to unnecessary legal complications when the area is required by the District Local Board for widening of the road.

Below Revenue Department U.O.R.No.20/57 dated-6-9-1957 from the under Secretary to Government, Revenue Department, Bangalore, regarding grant of 5 gunthas of land out of F.S.No. 44 of Chandavar village in Honavar taluka of North Kanara District to Shri Narayan Nagappa Naik for tea shop building.

.....

Returned with compliments.

2. In this case, an area of 5 gunthas of land out of F.S.No.44 of Chandavar village in Honavar taluka, has been leased out to the applicant for tea shop as long back as in 1947 by the Forest Department authorities. The applicant has erected a building on the plot leased out to him. Since the plot is not required by the forest department and since the Collector, Divisional Forest Officer and the District Local Board have no objection to grant the land, it may be granted to him on the conditions proposed by the Collector except however that the condition regarding shifting of the erection beyond the building line of 100' from the centre of the road should be enforced now only. The conditions Nos. (vi) and (vii) proposed by the Collector are not likely to be effective in future as the applicant would put forth the plea of hard-ship etc., and would come in the way of removal of the erection when it would become necessary to do so. It is therefore, desirable that he should be made to remove the erection beyond the building line at this stage only. If this necessitated the grant of a little more additional land, Government may also agree to it. The conditions Nos.(vi) and (vii) proposed by the

Collector--

(20)

Collector may therefore be substituted by a condition on the above lines.
